Itinerary: This fantastic Eco tour begins at your hotel and the historical Rocks area of old Sydney. Heading westwards across the coastal plain we make our way to the Great Dividing Range of Australia, it is here we leave the 'average' Blue Mountains tourist behind and enter the National Park and Euroka Clearing to unlock a piece of Australia you would never have known existed. We drop into a hidden valley where we roam the area, seeking out kangaroos that may graze in the wild while enjoying a home-made morning tea.

We next visit some scenic lookouts to view the Blue Mountains including King's Tableland before visiting the quaint little village of Leura. We skirt around Cliff Drive to Katoomba where you will find yourself looking out over the magnificent Jamieson Valley and the world renowned Three Sisters from Eagle Hawk lookout.

Enjoy a fine lunch of local cuisine and local wines in the heart of the Blue Mountains.

Next we travel to the scenic Evan's Lookout for more gorgeous views of the Blue Mountains and finish the day with a short walk at the stunning Wentworth Falls. We continue back into Sydney, time permitting we may call into the Sydney 2000 Olympic site.
