## Local Info

### Introduction

Brilliant white sand and a Caribbean sea the color of blue Curaçao-- believe the brochures about Cancún. No matter how high-rise this city gets with its five-star mega resorts and mega malls, it's the beach that put it on the map-- and no tempest of nature has been able to sweep it away completely. Get up from your poolside lounge and discover why millions flock to this sun-drenched destination-- turtle-spotting off the Isla Mujeres, discovering Chichen Itza's iconic Mayan pyramid and swaying to salsa in El Centro's tequila-slammng clubs.

### Things to Do

While it's tempting just to laze on **Playa Langosta's** powdery sand, there's life beyond Cancún's beaches. Scuba dive or snorkel off the islands of **Isla de Mujeres** and **Cozumel**, both with quieter waters than Cancún. The enigmatic culture of the Mayans comes alive at nearby **Tulum's** seafront ruins. Or take a day trip to the pyramid temples of **Chichen Itza** and jungly **Uxmal**. Kids in tow? Let them swim with dolphins in **Xel-Ha** eco theme park's gigantic natural aquarium.

### Shopping

Cancún's glossy malls, like **Plaza Las Américas** and **Plaza Kukulcán**, have an American flavor with their brand-name stores, cinemas and food courts. **La Isla Shopping Village**, though, has canals and an aquarium. For a more Mexican experience, root around **Mercado 23** for crafts, fresh produce and authentic street chow. Pick up unique gifts from handmade sombreros to hammocks orhuaraches(sandals) and artisan silver jewelry in downtown **El Centro**. Many supermarkets sell tequila.

### Nightlife and Entertainment

Cancún is the party resort in Mexico. Drinking games, DJs pumping tunes until daybreak, pool parties-- find it all in happening hotspots like **Señor Frogs** in the **Party Center**, halfway along Cancún's hotel strip. In **El Centro's** salsa clubs playing

bouncy cumbia music, sip tequila in a refreshing margarita or slam it with lime and salt. There's a more mellow bohemian vibe in beachside **Tulum**, while **Playa del Carmen's** funky **Playa Mimitas** often attracts DJs and bands.

### Restaurants and Dining

Tuck into sizzling fajitas in party-mad Tex-Mex joints or fresh shrimp and lobster while being serenaded by mariachis in the seafront restaurants in the **Zona Hotelera**. Food is cheaper and the atmosphere more authentically Mexican in **El Centro**, where locals eat incendiary tacos, enchiladas with chocolate-chilimole sauce and succulent tamales(corn dough studded with meat or beans, wrapped in a banana leaf or corn husk). For an inexpensive snack, graze the food stalls in **Parque Las Palapas**.

## History

The Riviera Maya lies in the Southern part of the Mexican Republic, the Eastern area of the Peninsula of Yucatán, and on the Caribbean shoreline. It is called the Mayan Riviera due to the influence the pre-Hispanic civilization exerted throughout the region, extending from Punta Brava to Punta Allen. The Northern coast boasts an impressive development of its tourist infrastructure, while the Southern shore is dotted with small picturesque villages surrounded by unspoiled beaches. Gran Arrecife Maya, the world's second largest barrier reef is found off these shores and along with the tropical forests of exotic vegetation and mangroves, they constitute a veritable window into the biodiversity of Mexican wildlife species. The South is also well known for its underground rivers, sacred reservoirs, deep-sea caves and caverns.

The Mayans were the original inhabitants of this peninsula. Advanced in the sciences, their civilization is recognized for the intelligence and precision of their calculations as well as the complexity

of their religious rites. The peninsula was an important center of commercial and religious activity during the post-classical period, which dates from approximately 1000 CE to 1500 CE. The Tulum Archaeological Zone was a fortress on the Caribbean shores, Playa del Carmen was then known as Xaman-Ha, and what is now the Xcaret Ecological Park was known as Puerto Pole. Cobá Ruins, with a population of 50,000 inhabitants, was the most important city.

With the arrival of the Spaniards in 1519, the principal Mayan cities, such as Chichen Itza and Uxmal had already been abandoned. The wars and conquests of other peoples, harsh climate and the dangers of the tropical forest, combined with the frequent threat of hurricanes, made it difficult for the civilization to prosper. Xel-Ha went down in history as the first European settlement. Even so, during the colonial period, population growth was hampered due in part to the frequent pirate attacks at sea. These assaults hindered access to firm ground, even when reached, the dense forest provided further troubles, and thus the peninsula remained unexplored for several years.

In 1967 the Mexican Government recognized the importance of the tourist industry as an active ingredient in the country's economy. Given its natural beauty, which would tempt any traveler, this paradise was poised as a strong candidate for foreign investment towards the development of a hotel and entertainment infrastructure. The Palacio Maya and Club Med were the first hotels built in the 1970s, both blessed with exaggerated exclusivity.

Considered a strong tourist attraction during the 1990s, it wasn't until that decade in which Cancún experienced significant growth with the construction of hotels, American-style shopping centers and an array of entertainment facilities.

Cancún is presently divided into three districts: The town of Cancún, with a population of approximately 300,000 and a simple, practical infrastructure; the

Ecological Reserve with its incredible lakes, rain-forests and mangroves; and the Hotel Zone, an island of hotels and shopping centers.

There are over 26,800 hotel rooms available, 200 restaurants, and several hundred shops in the city while paved and dirt roads enable access to the tropical forest.

Many facets of Cancun combine to offer the natural attributes of a Caribbean paradise framed within the vestiges of one of the most advanced and intelligent civilizations of the ancient world.

### Hotel Insights

Where to stay? How much will it cost? What amenities and services are included? These questions arise upon planning any trip for business or pleasure. There are a variety of options available to meet any traveler's budget, four-star and luxury hotels, the gran turismo and categoría especial. Four-star hotels are ideal alternatives for good service at reasonable prices.

### Hotel Zone

Hotels within the hotel zone include the Aquamarina Beach Hotel, the Moon Palace Golf & Spa Resort, which has a wonderful and interesting nature reserve nearby. Some other hotels include the Caribbean Princess, which is located right on the beach, the Sun Palace which is purportedly great for weddings and with white sands outside your door. All are conveniently located in the island's Hotel District and have a restaurant and bar, ocean view rooms, laundrette service, room service, long distance phone access, parking facilities, tourist information office, gift shops, and many other amenities.

Five-star hotels are much more abundant and many belong to international hotel chains, such as the Hotel Krystal Cancún, Meliá Turquesa, Westin Resort & Spa Cancun, JW Marriott Cancun Resort & Spa y la Sierra Cancún.

Gran Turismo hotels offer complete luxury, each with their individual touch. They include the Dreams Cancun Resort & Spa, Hyatt Cancún Caribe, Presidente Intercontinental, and Fiesta Americana Condesa, to name a few.

Categoría especial hotels offer special packages with international airlines and tend to be slightly lower in price. Among these, are the Fiesta Americana Grand Coral Beach, boasting an enormous spa, the Ritz Carlton and Le Meridien Cancún. Most have a business center fully equipped for meetings, conferences, or any other corporate event.

All have bilingual staff, and some have personnel exclusively in charge of organizing games, events, and beach tournaments for guest entertainment. Most offer tourist information services to assist in restaurant reservations and organizing day trips to different nearby destinations. Emergency assistance is also provided through access to consulates, clinics and hospitals in the region.

### Downtown

Alternative accommodations are available outside of the Hotel Zone. Modestly priced, these places do not offer the luxury which is characteristic of the five-star and gran turismo hotels. Located in the city, these small, affordable hotels are ideal for low budget travel. Hotels such as Suites El Patio, Hotel Plaza Kokai Cancún, Hotel Plaza Caribe and the Hotel Tankah all offer great prices and for those that are looking for a more authentic touch of Mexico. Some other moderately-priced hotels that are located on the Nichupté Lagoon where the lagoon meets the sea are the Sina Suites, Hotel Imperial Las Perlas, Hotel Caribe Internacional, very close to many restaurants and the Barceló Costa Cancún with shopping centers nearby. The increasingly popular ecological tourism organizations offer even more modest accommodations, recommending various beach campsites and rustic cabins. These options are suitable for indulging in the great outdoors and fresh air of Cancun.

### Outside of the City

If you would like to experience a vacation outside of the hustle and bustle of the city and seek more relaxed environs, there are a few hotels such as the Hotel Casa Maya located on Isla Mujeres (Women's Island) and a perfect place for newly-weds. The Iberostar Paraiso Lindo is another place to enjoy many activities or if you prefer, just relax and get some rest. An upscale hotel located in the serene Puerto Morelos is the Paraiso de la Bonita Resort & Thalasso. This hotel has a massive spa and offers cruises on a luxury catamaran.

As the most popular tourist destination in the country, it is recommended that prior reservations be made when traveling to Cancun, especially during the popular season. Although most hotels are equipped for the possibility of an unpredictable hurricane, bear these occurrences in mind upon deciding when to visit, as the winds or rain may spoil the opportunity to fully enjoy all that the city has to offer. Nevertheless, the opportunity to visit should not be missed, as it is bound to be an unforgettable experience.

### Restaurants Insights

Nestled in the heart of the Mexican Caribbean, this natural paradise is referred to by many as a Garden of Eden. No doubt, the first explorers to arrive found a splendid and beautiful land of promise that included fine powdered sand and sapphire waters and emerald-green vegetation all bathed by a brilliant sun in the celestial sky.

Today's Cancún was born in the 1970s as a popular tourist destination, boosted by massive foreign investment in the hotel industry. The city has continued to grow into a perfect combination of natural beauty and man-made facilities. It is an ideal place for visitors to come, year after year, later returning home with unforgettable memories and experiences. Cancún exists today as a mixture of its pre-Hispanic past, a vanguard culture, unlimited

entertainment, and enclaves of unspoiled nature.

For those seeking a cut of prime rib can turn to Ruth's Chris Steak House Cancún and La Capilla Argentina Steakhouse. There are also many restaurants offering a wide range of international dishes such as Señor Frog's and Harry's.

When the daytime fun has ended, it is time to venture out into the nightlife, in this city that never sleeps. The "in" crowd gathers at Bulldog, Daddy'O and Daddy Rock. For a real crazy time, you can go to one of the most popular clubs in South America called Coco Bongo. For Latin music, go to Azucar.

Spots that definitely should be included in any after-hour itinerary include, Señor Frog's, where the atmosphere gets hotter as the night transpires, and Carlos & Charlie's in addition to Pat O' Brien's Cancún, where people party until dawn. Bar Roots is a famous place where you can listen to all types of music and has a sports bar feel. Some places have open-air dance

floors overlooking the ocean, all of which have a bilingual staff.

### Downtown

Outside of the hotel zone there are other establishments that have the same excitement and interest as the hotel zone, although there are less of them. Japanese food can be splendid at Yamamoto. For a little bit of international cuisine, there is Casa Rolandi, which serves up moderately-priced Italian food. Tacolote is a popular Mexican restaurant where the dishes combine homemade goodness and great flavor. Romantic dining can be found at Habichuela, where romance takes center stage upon the cozy, delightful patio. For a more enlivened scene, check out Roots Jazz Club to hear music until dawn and enjoy a light meal or strong drinks. This splendid island city not only preserves its natural beauty, but also offers an array of activities to enhance a visitor's stay. Don't forget to bag up a slice of the Mexican Caribbean to take back home.

Boredom simply does not exist in this beautiful resort area of the Mexican Caribbean. There are a wide assortment of attractions, which can keep you engaged for even the lengthiest of visits. Whether you want to relax on the beach or explore an ancient ruin, there is something for everyone!

### Nightclubs & Nightlife

The city comes alive after dark. Go along to Bacco's in Plaza Terramar or Santa Fe Beer Factory at Forum by the Sea. When it comes to bars with a lively atmosphere, try Carlos and Charlies, Señor Frog's, Gap del Caribe and Tequila Rock where you can also enjoy a diverse buffet. If you are creature of the night, enjoy partying, live music and staying up all night having fun, Cancún offers a wide variety of choices as to what you can do until the early hours of the morning. If you're into club atmospheres, the best options in Cancún are The City and Dady'O.

If what you are really after is good live music venues, Cassis is a club where you can listen to jazz late into the night. The Hard Rock Café is another obvious option, offering the best rock and roll in town. For a good Jamaican party go to Cat's Reggae Club. You are bound to take back memories of Mexico's music, people and relentless mood for partying. Admission prices vary, but most of the discos and clubs include drinks in the price. What to wear? Generally, people dress quite casually in bars, although they do tend to dress up a little more in discos. With all of the color and variety that exists in this paradise, the possibility of a boring night is impossible. Enjoy your stay, and get dancing! ¡Buen provecho!

### Historical Sights

Many points of interest are around Cancún for those that want to adventure outside of the main district. Excursions are easy to reach from the majority of hotels. The archaeological ruins of the lost Mayan civilization at Chichen Itzá are located 124 miles away from the island (three hours by bus). The renowned Tulum Archeological Zone is nearby and well worth a visit. Isla Mujeres is a natural and exotic sanctuary with great opportunities to snorkel and only 5 miles from the island. A visit to the ecological and archaeological park of Xcaret is a must, offering underground rivers and caves, a dip with the dolphins or an evening multimedia show recounting Mayan history. A few hours from Cancún by car, you will be at Carmen Beach, Adventure Port and also Xel-Ha, a natural aquarium where you snorkeling and swimming are the main activities. For the intrepid spirit and jungle explorer, excursions are available to the Sian Ka'an Biosphere Reserve to discover native wildlife or mangrove swamps in this semi-virgen place. If you like archaeology you can't miss visiting El Rey Archaeological Zone.

### Arts & Culture

If you are a rodeo enthusiast or would like to battle a bull without the fear of being trampled upon, go on to the Plaza de Toros, where events are offered every Wednesday at 3pm. For the adventurous, travel out to the Centro Ceremonial Kohunlich, an area of immense beauty and a place to see Mayan ruins underground. On the other hand, stay indoors and visit the Interactive

Aquarium Cancún, where you can feed some sharks and swim with the dolphins. You can also visit INAH Museum which is a Anthropology and History museum that changes its exhibits often. **Festivals& Celebrations**

If you happen to be in Cancún during September, you should definitely not miss the Autumn Equinox at Chichén Itzá, one of the greatest architectural achievements from the Maya and a chance to witness one of their religious and cosmological ideas. The Day of the Dead is another festival that celebrates the dead, in which they return from the afterlife in order to celebrate and re-join the living. A holiday tradition that has been held for over a thousand years with decorations, parades and mariachis throughout the streets. Another day that honors the origin of the Mexican people is the Día de la Raza, where they celebrate the arrival of Columbus and the recognition of the mestizo, that is, the descendants from mixed European and indigenous indians. Another highlight in September is Viva México In Cancún, a month long event that celebrates Mexico's independence. There are workshops, folkloric dance, concerts, dining, among many other events. Needless to say, September may be the best month to visit Cancún.

### Sports& Activities

Aquatic sports for the entire family are offered at Aquaworld located in the Flamingo Plaza.

On board the Mississippi styled river boat called The Cancún Queen, or with the Columbus Coaster Cruise, you can take in a picturesque view of the island from the coastline. The cruises leave periodically from the island. Another option for adults

## Travel Tips

### Planning a Trip

### Getting There

**By Plane**-- If this is not your first trip to Cancún, you'll notice that the **airport's**(tel. **998/848-7200**) facilities and services continue to expand. All flights to and from the U.S. now go through the new Terminal 3, which has money-exchange services, duty-free shops, restaurants, medical services, and even an express spa. **AeroMéxico**(tel. **866/275-6419** in the U.S., or 01-800/021-4000 in Mexico; [www.aeromexico.com](http://www.aeromexico.com)) operates connecting service to Cancún through Mexico City. **Mexicana**(tel. **800/531-7921** in the U.S., 01-800/366-5400 in Mexico, or 998/881-9090; [www.mexicana.com](http://www.mexicana.com)) runs

connecting flights to Cancún through Miami or Mexico City. In addition to these carriers, many **charter** companies-- such as Apple Vacations and Funjet-- travel to Cancún; these package tours make up as much as half of arrivals by U.S. visitors.

Regional carrier **Click Mexicana**, a Mexicana affiliate(tel. **01-800/112-5425** in Mexico; [www.click.com.mx](http://www.click.com.mx)), flies from Havana, Cuba, Chetumal, Cozumel, Mexico City, Mérida, and other points within Mexico. You'll want to confirm departure times for flights to the U.S. **Aviacsa**(tel. **01-800/711-6733** in Mexico; [www.aviacsa.com](http://www.aviacsa.com)), **Interjet**(tel. **01-800/01-12345** in Mexico; [www.interjet.com.mx](http://www.interjet.com.mx)), and **Volaris**(tel. **01-800/7865-2747** in Mexico; [www.volaris.com.mx](http://www.volaris.com.mx)) are three other regional carriers that fly to Cancún from Mexico City.

The following major international carriers serve Cancún: **Alaska**(tel. 800/426-0333; [www.alaskaair.com](http://www.alaskaair.com)), **American**(tel. 800/433-7300; [www.aa.com](http://www.aa.com)), **Continental**(tel. 800/231-0856; [www.continental.com](http://www.continental.com)), **Delta**(tel. 800/221-1212; [www.delta.com](http://www.delta.com)), **Frontier**(tel. 800/432-1359; [www.frontierairlines.com](http://www.frontierairlines.com)), **JetBlue**(tel. **800/538-2583**; [www.jetblue.com](http://www.jetblue.com)), **Northwest**(tel. 800/225-2525; [www.nwa.com](http://www.nwa.com)), **United**(tel. 800/241-6522; [www.ual.com](http://www.ual.com)), and **US Airways**(tel. 800/428-4322; [www.usairways.com](http://www.usairways.com)).

Most major car-rental firms have outlets at the airport, so if you're renting a car, consider picking it up and dropping it off at the airport, to save on airport-transportation costs. Another way to save money is to arrange for the rental before you leave home. If you wait until you arrive, the daily cost will be around\$50 to\$75 for a compact vehicle. Major agencies include **Alamo**(tel. 800/462-5266 in the U.S., or 998/886-0448; [www.alamo.com](http://www.alamo.com)), **Avis**(tel. 800/331-1212 in the U.S., or 998/886-0221; [www.avis.com](http://www.avis.com)), **Budget**(tel. 800/527-0700 in the U.S., or 998/886-0417; fax 998/884-4812; [www.budget.com](http://www.budget.com)), **Dollar**(tel. 800/800-3665 in the U.S., or 998/886-2300; [www.dollar.com](http://www.dollar.com)), **Hertz**(tel. 800/654-3131 in the U.S. and

Canada, or 998/884-1326; [www.hertz.com](http://www.hertz.com)), **National**(tel. 800/227-7368 in the U.S., or 998/886-0153; [www.nationalcar.com](http://www.nationalcar.com)), and **Thrifty**(tel. 800/847-4389; [www.thrifty.com](http://www.thrifty.com)). The Zona Hotelera(Hotel Zone) lies 10km(6 1/4 miles)-- a 20-minute drive-- from the airport along wide, well-paved roads.

The rate for a **private taxi** from the airport is\$58 to Ciudad Cancún(downtown) or the Hotel Zone. The return trip with an airport taxi is discounted by 50%. Green Line and Gray Line **van shuttles** run from the airport into town approximately every 20 minutes. Buy tickets, which cost about\$14, from the booth to the far right as you exit the airport terminal. These services accept U.S. dollars, though you'll get a more favorable rate if you pay in pesos. There's **local bus** transportation(45 pesos) from the airport to Ciudad Cancún. From there, you can take another bus for less than a dollar to Puerto Juárez, where passenger ferries leave to Isla Mujeres regularly. There is no shuttle service returning to the airport from Ciudad Cancún or the Hotel Zone, so you'll have to take a taxi, but the rate will be much less than for the trip from the airport. (Only federally chartered taxis may take fares from the airport, but any taxi may bring passengers to the airport.) Ask at your hotel what the fare should be, but expect to pay about half what you paid from the airport to your hotel.

**By Car**-- From Mérida or Campeche, take **Highway 180** east to Cancún. This is mostly a winding, two-lane road that branches off into the express **toll road 180D** between Izamal and Nuevo Xcan. Nuevo Xcan is approximately 40km(25 miles) from Cancún. Mérida is about 320km(198 miles) away.

**By Bus**-- Cancún's **ADO bus terminal**(tel. **01-800/702-8000** in Mexico or 998/884-4352) is in downtown Ciudad Cancún at the intersection of avenidas Tulum and Uxmal. All out-of-town buses arrive here. Buses run to Playa del Carmen, Tulum, Chichén Itzá, other nearby beach and archaeological zones, and other points within Mexico.

### All About Cancún:

[www.cancunmx.com](http://www.cancunmx.com)-- This site is a good place to start planning. Their database, called "The Online Experts," answers many of the most common questions. It's slow but current, with input from lots of recent travelers to the region.

### Cancún Convention & Visitors Bureau:

[www.cancun.travel](http://www.cancun.travel)-- The official site of the Cancún Convention & Visitors Bureau lists excellent information on events and attractions. Its hotel guide is one of the most complete available, and it has an active message board of recent visitors to Cancún.

### Cancún Online:

[www.cancun.com](http://www.cancun.com)-- This comprehensive guide has lots of information about things to do and see in Cancún, though most details come from paying advertisers.

The site lets you reserve package trips, accommodations, activities, and tee times.

### Cancún Travel Guide:

[www.go2cancun.com](http://www.go2cancun.com)-- These online information specialists are also an excellent resource for Cancún rentals, hotels, and attractions. Note that this site lists only paying advertisers, which means you'll find most of the major players here.

### Visitor Information

The **Cancún Municipal Tourism Office** is downtown at the Palacio Municipal (City Hall), on Avenida Tulum between avenidas Uxmal and Cobá (tel. **998/887-3379**). It's open Monday through Friday from 9am to 7pm. The office lists hotels and their rates, as well as ferry schedules. For information prior to your arrival in Cancún, visit the Convention Bureau's website, [www.cancun.travel](http://www.cancun.travel). The state tourism website is in Spanish, at [www.qroo.gob.mx](http://www.qroo.gob.mx). Pick up copies of the free booklet **Cancún Tips** ([www.cancuntips.com.mx](http://www.cancuntips.com.mx)), and a seasonal tabloid of the same name.

### City Layout

There are really two Cancúns: **Ciudad Cancún (Cancún City)** and **Isla Cancún (Cancún Island)**. The former, on the mainland, is the original downtown area, where most of the local population lives. It's home to traditional restaurants, shops, and less expensive hotels, as well as pharmacies, dentists, automotive shops, banks, travel and airline agencies, and car-rental firms-- all within an area about 9 square blocks. The city's main thoroughfare

is **Avenida Tulum**. Heading south, Avenida Tulum becomes the highway to the airport and to Tulum and Chetumal; heading north, it intersects the highway to Mérida and the road to Puerto Juárez and the Isla Mujeres ferries.

Isla Cancún is a sandy strip 22km (14 miles) long, shaped like a 7. It's home to the famed **Zona Hotelera**, or Hotel Zone (also called the Zona Turística, or Tourist Zone), connected to the mainland by the Playa Linda Bridge at the north end and the Punta Nizuc Bridge at the southern end. Between the two areas lies Laguna Nichupté. Avenida Cobá from Cancún City becomes Bulevar Kukulkán, the island's main traffic artery. Cancún's international airport is just inland from the south end of the island.

**Finding an Address**-- Cancún City's street-numbering system is a holdover from its early days. Addresses are still given by the number of the building lot and by themanzana (block) or supermanzana (group of blocks). The city is relatively compact, and the downtown commercial section is easy to cover on foot.

On the island, addresses are given by kilometer number on Bulevar Kukulkán or by reference to some well-known location. In Cancún, streets are named after famous Maya cities. Boulevards are named for nearby archaeological sites, Chichén Itzá, Tulum, and Uxmal.

### Getting Around

**By Taxi**-- Taxi prices in Cancún are clearly set by zone, although keeping track of what's in which zone can take some doing. The minimum fare within the Hotel Zone is \$8 per ride, making it one of the most expensive taxi areas in Mexico. In addition, taxis operating in the Hotel Zone feel perfectly justified in having a discriminatory pricing structure: Local residents pay about half of what tourists pay, and prices for guests at higher-priced hotels are about double those for budget hotel guests-- these are all established by the taxi union. Rates should be posted outside your hotel; if you have a question, all drivers are required to have an official rate card in their taxis, though it's generally in Spanish. Taxi

drivers will accept dollars, though at a less favorable rate than pesos.

Within the downtown area, the cost is about \$3 per cab ride (not per person); within any other zone, it's \$6. Traveling between two zones will also cost \$6, and if you cross two zones, that'll cost \$8. Settle on a price in advance, or check at your hotel. Trips to the airport from most zones cost about \$30. Taxis can also be rented for \$25 per hour for travel around the city and Hotel Zone, but this rate can generally be negotiated down to about \$20. If you want to hire a taxi to take you to Chichén Itzá or along the Riviera Maya, expect to pay about \$35 per hour-- many taxi drivers feel that they are also providing guide services.

**By Bus**-- Bus travel within Cancún continues to improve and is increasingly popular. In town, almost everything lies within walking distance. **Ruta 1** and **Ruta 2 (HOTELES)** city buses travel frequently from Puerto Juárez on the mainland to the beaches along Avenida Tulum (the main street) and all the way to Punta Nizuc at the far end of the Hotel Zone on Isla Cancún. **Ruta 8** buses go to Puerto Juárez/Punta Sam for ferries to Isla Mujeres. They stop on the east side of Avenida Tulum. All these city buses run between 6am and 10pm daily. Buses also go up and down the main strip of the Hotel Zone day and night. Public buses have the fare painted on the front; at press time, the fare was 6.50 pesos.

**By Scooter**-- Scooters are a convenient but dangerous way to cruise through the very congested traffic. Rentals start at about \$30 for a day, not including insurance, and a credit card voucher is required as security. You should receive a crash helmet (it's the law) and instructions on how to lock the wheels when you park. Read the fine print on the back of the rental agreement regarding liability for repairs or replacement in case of accident, theft, or vandalism.

### Did You Know?

Before the city acquired its current name,  
Cancún was called Ekab, meaning"Black  
Earth". Cancún is the Mayan word for"nest  
of serpents" or"snake pit". An interesting  
fact about Cancun is that you can find

Mayan ruins in the hotel zone. The  
archaeological site of El Rey is the largest  
site and it is located near Hilton Cancun.

Over 1/3 of Mexico's tourism revenue  
is generated by Cancun. Each year,  
hundreds of thousands of travelers visit  
Cancun each year to enjoy the great  
weather and beautiful, white-sand beaches.  
Cancun's average annual temperature  
is 80 degrees and there are over 240  
sunny days. The white sand is made from  
crushed coral and is not hot to the touch.

Destination weddings are very popular in  
Cancun& the Riviera Maya region. There  
are approximately 46,000 weddings in the  
area, annually.

Cancun's airport is the 2nd busiest in  
Mexico(only Mexico City's airport is busier)  
and it has the most international traffic  
of any airport in Latin America. In 2009,  
over 11 million foreign travelers arrived  
in Cancun, by air. Cancun's airport has 2  
runways that can be used simultaneously

and it's control tower is the tallest in Latin  
America(the 18th tallest in the world).

Some fun facts about Cancun are that the  
city first appeared on maps in the 18th  
century and there were only 3 residents  
when development of the resort area  
started in January 1970. Today, there are  
over 700,000 residents and over 24,000  
hotel rooms, in Cancun's hotel zone.

In early 2010, there was a major beach  
restoration project that included the  
rebuilding of the beaches in Cancun, Playa  
del Carmen, and Cozumel. The Mexican  
government invested\$71 million US Dollars  
in the project, which restored 11 kilometers  
of the area's beaches.

Three of the world's longest underwater  
cave systems are located in the Riviera  
Maya. Ox Bel Ha is 146.7 kilometers,  
Nohock Na Choch is 61 kilometers, and  
Dos Ojos is 57.7 kilometers.
